PROGRAM REPORT

Name of the Event : **Wings 2022**
Date : 29th & 30th April, 2022
Name of the event Coordinators : Mr. N. Jaya Ram, Mech Dept.

Pydah College of Engineering celebrated **Wings** on 29th & 30th April 2022. On this occasion curricular & co curricular activities were conducted. The themes for the events were circulated so that students and the class teachers motivated and guided the students to participate in several technical and cultural events. These two days were quite joy full to the students as they had good interaction with peer groups and also with other college students who attended this program. Students faced tough competition and enjoyed giving their best.

Both the days cultural & sports events were conducted. Performances by the students were unique and mind blowing. They had good creative abilities. On one side of the ground food, beverages & games stalls were set up and a big dais for the student to perform.

The experience given to our students to perform in various activities will definitely make our students competent to rule the world in their coming days. At the end Prizes were distributed by our dignitaries to the winners and runners.
