to me, Praveen

Dear krishna Rao,

Greetings for the day!!!

I am writing to express our interest in conducting "Campus Recruitment: 2018" at your college for the final year students, I would also like to introduce our company PathFront and give you a brief on our selection and on - boarding process through this mail.

## **Company Profile:**

**PathFront:** is a talent solution company that enables young graduates to get the perfect start in their career. We recruit students on behalf of our Partner Organizations and skill them as per their requirement. This will enable our Partner Organizations to get Role Ready Professionals.

## **Job Description:**

**Designation:** Tech Specialist / Associate - Tech

**Eligibility:** Only Circuit branches (CSE/IT/ECE/EEE/E&I)

- 60% across 10<sup>th</sup> / 12<sup>th</sup> / Engineering / No standing arrears at the time of on - boarding.
  - Compensation per annum: Starting salary of 2.5 Lakhs + incentive
  - Domain: Mean Stack / Mobile SDK / .net or Java / Cloud Computing / High end Cisco.
- At the time of on - boarding, our Partner Organization will decide on Domain.

**Job Location:** Anywhere in India

## **Selection Process:**

1. We begin by students registering, followed by a pre-placement talk from our team member.
2. In the pre- placement talk, the students are briefed about our company and our hiring model - We clearly mention that the we charge Rs 1,50,000 for the skilling program and give 100% guarantee of job placement. Also, we offer a 100% loan for the same amount through our banking partners if

needed. The student will pay an EMI to the lender post our training and commencement of work at our partner organization.

3. The Assessment starts after the pre – placement talk. The interested students will have to take up the online test. Students securing the minimum score will be called for the GD round. Selected students from GD will then have the face to face interview.

4. The students who finally get through the interview will be given a conditional offer letter. If the student accepts the offer letter, he or she will have to submit required documents along with a DD for Rs 10,000 two or three days later. This amount will be returned as soon as the loan for the student is approved.

5. The students who do not get selected will receive an assessment report from our team which will help them understand where they lost out. They will be informed about their strengths and weaknesses through the comprehensive report given to them by us. The college will also receive an assessment report to understand overall performance of the students and understand their student's pain points and work on the same.

6. The engagement of students will start from March and they will get basic training through online training for a month before the Onboarding process starts with respect to the end of final semester of each college/university.

7. The students will be unbarred and trained for two months before deployed with our client corporations after which they will start repaying the loan taken for their training.

Please get in touch for any further clarifications.

#### **On – Boarding Process(Joining):**

- Selected students will be given a Conditional Offer Letter, post which they will attend the Self – Funded Skilling Program after necessary Academic Credentials has been verified.
- Skilling Program starts from May/June 2018 and duration for the same is two months. Post the Skilling Program, student will be on – boarded to the client location. This transition period will range between 30 – 45 days. The Skilling Program is conducted in Bangalore and Chennai.
- Since PathFront's Skilling Program comes with Assured Jobs, Banks extend up to 100% bank loan depending on the eligibility of the candidate. Skilling fee will be communicated during the pre – placement talk.

#### **Add-On Services to the Institution / Students:**

- All appeared students to receive comprehensive Assessment Report at zero cost.
- Colleges can also use these reports to address areas of concern with regard to students.
- Comparative Scores – Peer Institutions.

#### **Our Requirements on the drive day:**

- PC's with good internet connectivity for online test, a minimum speed of 10mbps is needed. Browser – Google Chrome or latest version of Internet Explorer.
- Five volunteers from college to assist.
- Three cabins for face to face interview with enough waiting area.

- Two meeting rooms which can accommodate twenty students to conduct GD. Numbers will vary according to the number of candidates present.
- Candidates must provide ID Proof (Aadhar Card, college ID card) before taking up the Online Test.

For more information on our offering, client list and alumni details – please visit [www.pathfront.in](http://www.pathfront.in)

We look forward to establishing a long-term relationship with your esteemed Institution.  
Sincerely Yours.

Dear Sir/Mam,

Greetings from Xcelerator !!

This is to inform you that we have started working for **2022 batch** . Right now we are collecting **2022 student data** and creating accounts for them. It will be helpful if you can share your 2022 student data so that we can create an account and start sending jobs to them at the earliest.

## **About Xcelerator:**

**Xcelerator** ( <https://xcelerator.ninja/> ) is a collaborative learning community bringing together academia and industry to nurture real world experience and help students get industry exposure. We connect students with mentors and companies through meaningful and sustainable use cases (e.g. projects, unstructured learning, internship opportunities, etc.). The platform uses a project-based instruction method so that students gain the ability to apply concepts. The platform provides a much needed digital extension to traditional brick and mortar institutions.

## **Offerings for Students:**

- Access to Job & Internships across the Xcelerator partnered companies.

## **Offerings for Institutions:**

- Institute specific dashboard to automate the placement process.
- Manage campus drives.
- Access to the student profiles.
- Place Students - Get multiple jobs / internships across the Xcelerator partnered companies.

To begin with, we can provide the above listed offering at a **free of cost for a period of 1 year.**

Apart from the above offerings we will also help institutions in upskilling the students by doing training programs on the latest industry skills. The training program will be taken up on a case to case basis for each of the institutions separately and there is a cost involved for the skill / domain training.

**We would also be keen to conduct a demo of our platform- XCELERATOR with you** - please provide us some slots!

Below are the active Jobs on the platform where all your **students can apply at free of cost**. Please share with your students

Meanwhile, I am sharing a few live job opportunities for your students. **I would request you to please share with your students (2020, 2021 batches**

Sir yesterday we had a pre placement talk for Pydah College students followed by written test. Unfortunately due to heavy rains and cyclone alert college has declared holiday yesterday and today. Many of the students do not have laptops and could not go to net centre as all shops were closed. If you can provide us another slot for written exam it would be great help for my students give their test. Hoping for a favourable response from your end.

to me, Hr

Dear TPO,

Greetings from Skill Dunia Edutech!!  
I hope this email finds you well!

I am writing to you on behalf of Skill Dunia Edu Tech, a leading organization in the field of ed-tech start-ups. We are currently seeking talented and motivated candidates for the "Business Development Interns" role from " Pydah College of Engineering " and would like to conduct an on-campus placement drive for the same.

**About us:**

SKILL DUNIA was founded by alumni of Lovely Professional University and experienced business professionals who identified a need for an Artificial Intelligence enabled platform that could provide high-quality, affordable education to learners worldwide. After conducting extensive market research, they noticed that many other edutech platforms were expensive, difficult to use, and lacked practical, hands-on courses that could help learners develop the skills needed to succeed in today's competitive global landscape.

Our core team comprises 10+ experienced professionals and young talents, who are dedicated to creating a positive impact in the field of education. As a startup, working with college students would be a great opportunity for them to gain practical experience and contribute to our growth.

**"Eligibility Criteria" :**

- 1) All the final year Students who are pursuing bachelor's degree are eligible for this Business Development role.
- 2) Students who are currently having a minimum of 60% with/without arrears are eligible for the role.
- 3) Stipend provided to the students who get shortlisted is 15,000INR + 10,000 INR as Incentives for a duration of 6 months along with PPO of CTC 3 LPA to 6 LPA (Fixed + Incentives) based on performance.

also, I would like to mention that we are concentrating more on " Final year" students who have mandatory Internships in their academics.

We look forward to the opportunity of working with your esteemed institution and your students.

Please let us know if you have any questions or require any additional information from our side. We would be happy to provide it to you.

Please reply back with below details:

- 1) No of students eligible for this internship drive :

- 2) No of eligible & unplaced students.
- 3) The Month in which students can start their Internship

Thanks and Regards,

**Megha Patil**

Dear Team,

I trust this message finds you well. I would like to remind everyone about our earlier discussion regarding the Summer Internship for the year 2024. As part of the preparation for this program, we had agreed to schedule an online pre-placement talk.

The designated timeframe for conducting these talks was set for the months of September and October in 2023. In light of this, I kindly request you to provide us with information regarding the suitable dates and times for these online sessions. This will allow us to make the necessary arrangements and ensure a seamless and informative pre-placement talk for our potential interns.

Your prompt response to this matter would be greatly appreciated. Please feel free to reach out if you have any questions or require further clarification.

Thank you for your attention to this important aspect of our upcoming Summer Internship.

Best regards,

Dear Team,

I hope this email finds you well. As previously mentioned, I would like to schedule a Google Meet session to further discuss the student internship opportunity at our company, Terviva. This meeting will allow us to provide an overview of our company and the job profile to the interested students, enabling them to make an informed decision regarding joining our organization.

Please let me know a convenient date and time for the meeting. I suggest allocating approximately 30mins for the session, allowing ample time for introductions, presentations, and any questions or discussions that may arise.

Additionally, it would be greatly appreciated if you could provide me with the email addresses or contact information of the interested faculty so that we can send them the meeting invitation directly.

Thank you for your time and consideration.
