Training & Placements Office at Pydah College of Engineering has conducted a one day work shop on Career Counselling to all IV B.Tech Students. The program was headed by Mr. R.Shanmukh Srinivas. He has explained the upcoming opportunities in Cyber Securities. The session was quite effective and students were involved in the session. This training program helped the students to know the upcoming opportunities for the next 10 years. Students were allowed to interact in the session which helped them to clear their doubts. The feedback was good. This program brought lots of awareness to the students.
