Description	<p>India celebrates the 75th Indian Army Day on 15th January 2023. The day is marked to pay homage to the soldier's working day and night to ensure the security of Indian citizens. The Indian Army was established by the British government in 1895. However, on 15th January 1949, two years after India gained freedom, the nation got its first native army chief commander – Kodandera M. Cariappa – who was then a Lieutenant General. Previously, the honorary post was held by British officers with General Sir Francis Butcher being the last British Commander in chief. To honour this great opportunity of General Cariappa, the day was designated as the annual celebration of Indian Army Day.</p>

Description	<p>“Har Ghar Tiranga” is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.</p>
