The Pydah Engineering College conducted a one day program on **Life Skills** on the occasion of **YOGA DAY** on 21/10/22 at our college in Seminar Hall. The program was initiated by our principal with a motivational speech. After the speech the resource person spoke on how to maintain good health by practicing YOGA. Regular yoga practice creates mental clarity and calmness; increases body awareness; relieves chronic stress patterns; relaxes the mind; centers attention; and sharpens concentration. To bring awareness among students the college conducted International Yoga Day.

I & II B.Tech students attend the Program. Our students-maintained discipline and learned how yoga helps to keep good health. The session was concluded with the vote of thanks.
