The college makes all provisions to conduct **Language skills** to enhance the abilities of the students. These skills provide structure and relevance to the information you wish to convey to the recipient. Reading, writing, listening and speaking are four essential skills that comprise basic language competency. The program is only to enhance employability skills. The coordinator collected feedback on the above program. Students were happy and grabbed sufficient knowledge.

Objectives of the program:

The students should be able to develop effective Linguistic skills relating to speaking abilities. The three-day modules were to develop their writing and verbal abilities.

Topics covered:

Day 1) Writing Skills & Non-Verbal

Day 2) Public Speaking & Words Pronunciation

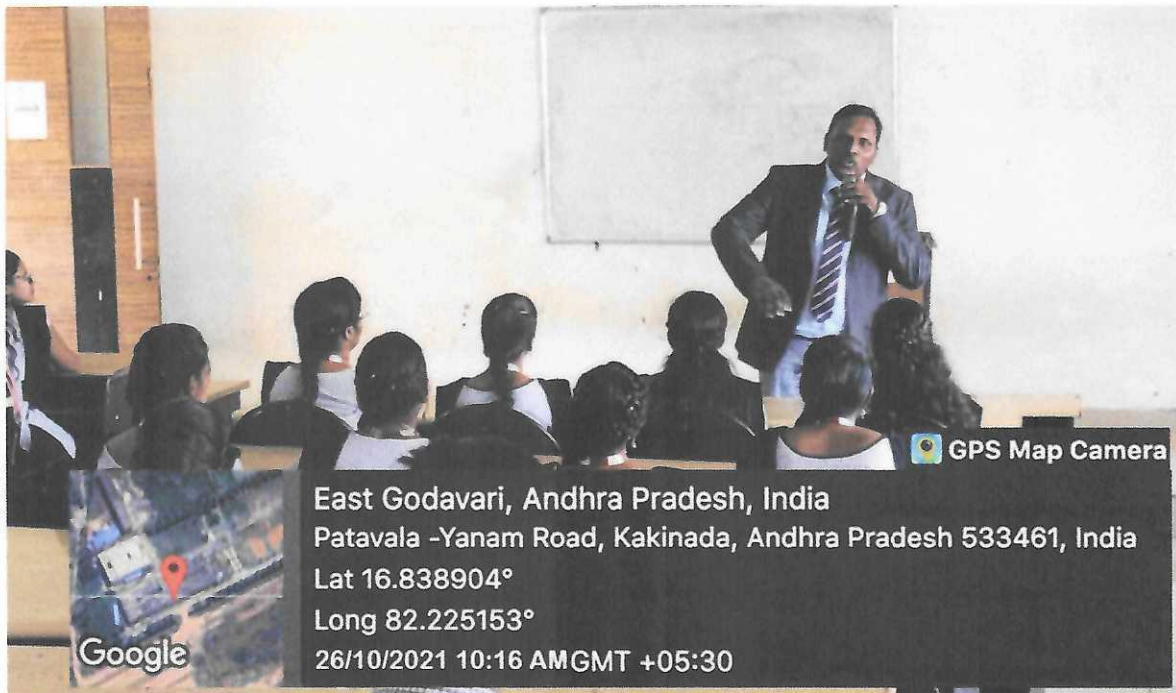

Day 3) JAM & GD

Outcomes of the Program:

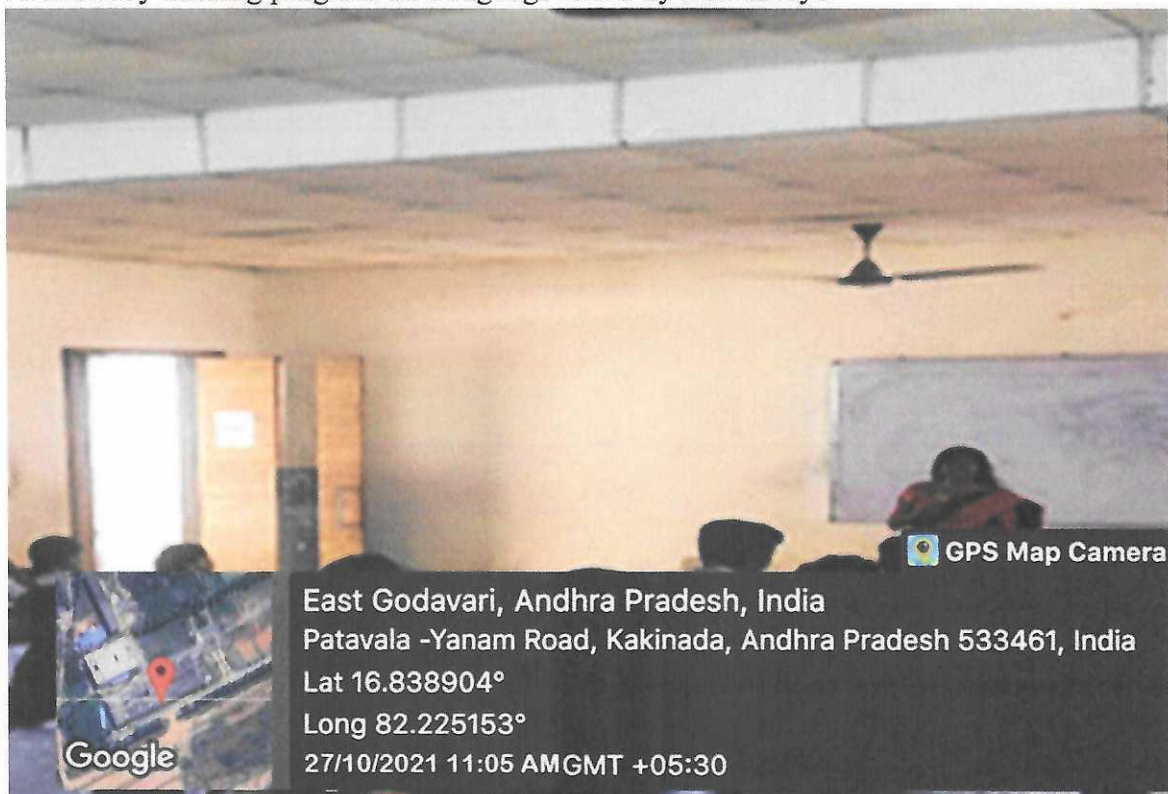

The students could use clear pronunciation using basic structures in their oral aspects. They also learned the importance of Jam & G D and practiced pronunciation session.

The Pydah Engineering College conducted a one day program on **Life Skills** on the topic leadership skills in Seminar Hall. Our principal initiated the program. After his speech the resource person spoke on how to develop Leadership Skills by giving various examples. He also said Leadership has different Styles. You can adopt any style which is feasible to the situation.

Our students were highly motivated by the session and they also maintained discipline till the end of the program.
