Pydah College of Engineering conducted a three day program on “**Language Skills**” with the support of Placement cell for 3 days to all III-year students from **22/10/18 to 24/10/18** in the college. The program is only to enhance employability skills. After the 3 days session’s students were satisfied in handling basics skills. Language skills are the abilities that enable you to express your thoughts coherently and communicate with others. These skills provide structure and relevance to the information you wish to convey to the recipient. Reading, writing, listening and speaking are four essential skills that comprise basic language competency. After the program students gave their valuable feedback and asked for these kinds of sessions.

The following topics were broadly discussed.

Day 1) Public Speaking & Listening for Pronunciation Practice

Day 2) Contextual Communication & Non-Verbal & Visual Communication

Day 3) Written, Oral Communication & WET Practice

REPORT

Name of the program : A One-day Program on **Life Skills**
Date : 24/8/2018
Resource persons Details
Name : Mr. K.Muneendhra
Designation : Assistant Professor, VSM College of Engineering
Place : Ramachandrapuram
Contact Number : +91 9618468300

The College conducted a one day program on "**Life Skills**" on the topic "**Problem Solving Skills & Critical Thinking**" by a professional trainer at our college in Seminar Hall. Our principal initiated the program with a motivational speech. After the speech the resource person spoke on how to develop Leadership Skills and those want leadership should be very good in problem solving skills as well as critical thinking skills. He also said that these are the vital life skills to flourish.

Our students were quite impressed by his talks and were highly motivated by the session and they also maintained discipline till the end of the program. Later at the end vote of thanks was delivered by an II-year Student.
